

**VIRTUAL  
INSPIRATION –  
REAL CUSTOMER  
ACQUISITION**

# Show online what you have and benefit from >4 million visitors to **MessenOnline24.com!**

By virtually replicating and/or continuing traditional themed- and national trade fairs, your online trade fair stand offers you an effective solution to attract new customers 365 days a year.

Regardless of whether your company has participated or will participate in a real trade fair, you have the opportunity to reach qualified visitors worldwide at your virtual trade fair of choice and generate valuable leads ,with maximum reach and visibility.

And all this at a fraction of the usual cost.

## ...more than just a trade fair stand:

- \* All communication options, e.g. livestream/consultation, chat, zoom, mail, etc.
- \* Website supplement or website replacement
- \* Direct online shop or linking with existing shop
- \* Better Google ranking, thus significantly better visibility and findability

Through online fairs, you position yourself in a contemporary way and cover all online presence forms and communication channels.

Your future-oriented communication platform for acquiring new customers.
